Milan Radovanović, phisical geography
Institute "Jovan Cvijić" SANU, Belgrade, Serbia

SERBIAN JOURNAL OF GEOSCIENCES

DESCRIPTION

Serbian Journal of Geosciences is the release of the Department of Geography at the Natural Science and Mathematics, University of Niš. The journal is dedicated to publishing papers in the field of geosciences, namely:

- physical geography
- human geography
- regional geography
- cartography
- spatial planning
- tourism
- environmental protection
- geochemistry
- geophysics and other related fields of geoscience.

The journal will only publish original scientific papers.

The plan is to be published once a year.
